- to enable the person to make gifts to which the return relates; or
- to reimburse the person for making such gifts.

The details that need to be provided in the case of a gift made:

- (i) on behalf of the members of an incorporated or unincorporated association—
 - (A) the name and address of the association; and
 - (B) the names of the members of the executive committee (however described) of the association;
- (ii) out of a trust fund or out of the funds of a foundation—
 - (A) the names of the trustees of the fund or of the funds of the foundation; and
 - (B) the title (or other description) and address of the trust fund or the name and address of the foundation, as the case requires;
- (iii) by or on behalf of a body corporate—
 - (A) the name and address of the body corporate; and

 - (C) the name of any parent, subsidiary or related body corporate of the body corporate;
- (iv) in any other case—the name and address of the person who made the gift or loan.

However, a return to which this regulation applies need not include details of the names of—

- (a) the members of the executive committee of an incorporated association or the board of a body corporate; or
- (b) any parent, subsidiary or related body corporate of a body corporate,

if those details are contained in a publication that is generally available to be inspected by members of the public and the return identifies the publication and specifies a website address at which it may be accessed or inspected.
