Re: **Application for waiver of Audit Certificate - National Party of Australia (SA) Inc.**

BACKGROUND

Registered political parties are required to lodge returns every 6 months. To be a complete return it must be accompanied by an Audit Certificate.

Section 130ZV(4) provides that the Electoral Commissioner may waiver compliance with the requirement to provide an audit certificate if

- (a) in the case of a return, it is a nil return
- (b) in any case if the Electoral Commissioner considers the cost of compliance with the requirement would be unreasonable.

DISCUSSION

The agent for the National Party of Australia (SA) Inc. has lodged an Application for Waiver of Audit Certificate on the grounds that the cost of compliance would be unreasonable because the total financial resources of the party are \$243 and the cost of the auditor would be about \$2000. They are not a 'Prescribed Association' and therefore are not required to have their accounts audited.

RECOMMENDATION

That you approve the application by the National Party of Australia (SA) Inc. for a waiver of the obligation to lodge an audit certificate on the grounds that the cost of compliance would be unreasonable.
